ABOUT US
关于我们

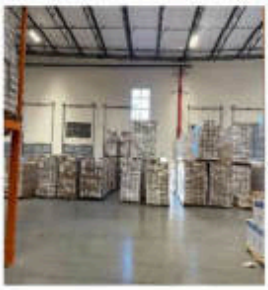

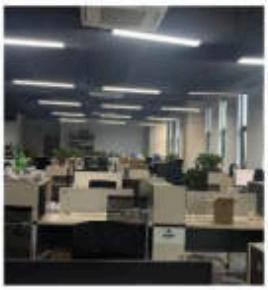

01. 公司简介
Company Profile

Established in 2011, Changzhou Daxin Auto Parts Co., Ltd. is headquartered in China. Specializing in the production and sales of automotive parts from Japanese, Korean, American, German and Chinese automobile manufacturers, we take pride in delivering high-quality, innovative solutions that cater to the evolving needs of the global automotive industry.

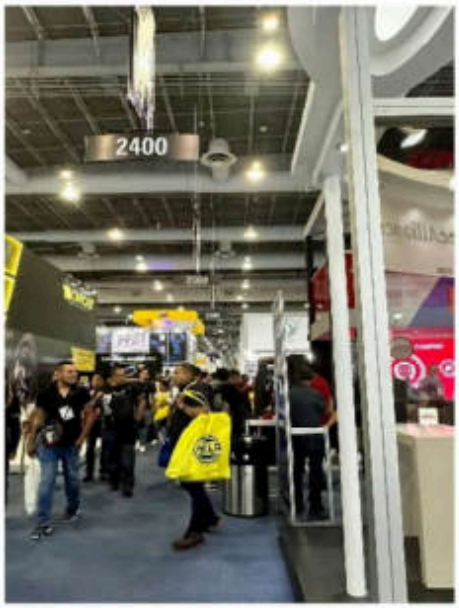

02. 发展历程
Develop History

Originally founded as an automotive mold manufacturer, we have accumulated extensive technical knowledge and experience. Adapting to changing market demands, in 2015, we introduced cutting-edge injection molding machinery, establishing our own injection molding factory. This strategic expansion not only boosted our production capacity but also enabled us to mass-produce tailor-made automotive parts, addressing the diverse requirements of our clients.

At this pivotal juncture, Changzhou Daxin Auto Parts Co., Ltd. is transitioning towards the international market while being firmly rooted in mainland China. We remain committed to nurturingour innovative spirit,adapting to market dynamics, and refinin our product portfolio to offer customers an expanded range of high-quality options. With unwavering dedication, we are confident that Changzhou Daxin Auto Parts Co., Ltd.will achieve even greater milestones in the global automotive parts sector.
